

Remarks

This is responsive to the Final Office Action mailed on October 30, 2007. Claims 1-13 are pending in the application. Claims 1-3 and 5-13 have been cancelled. Claims 3 and 5 have been re-written in independent form as new claims 14 and 15. Claim 4 is amended to depend from claim 14. After entry of this Amendment, claims 4, 14, and 15 are pending. Applicants respectfully request entry of the amendments, which are believed to place the application in condition for allowance.

Allowable Subject Matter

The Examiner objected to claims 3 and 5 but stated that these claims would be allowable if re-written in independent form. As discussed above, claims 3 and 5 have been re-written as new claims 14 and 15, respectively, and Applicants submit these claims are in condition for allowance. Applicants respectfully submit that claim 4 is also allowable since it depends from an allowable claim (claim 14).

While Applicants disagree with the rejection of claims 1, 2, 4, and 13 for the reasons stated in the response filed on August 16, 2007, to expedite prosecution, Applicants cancel the rejected and withdrawn claims and rewrite the allowable claims (claims 3 and 5) in independent form. Applicants reserve the right to file one or more continuation and/or divisional applications directed to the subject matter of the cancelled claims.

Conclusion

In view of the above remarks, Applicants respectfully request reconsideration of the application and issuance of a Notice of Allowance.

In the event any fees are due in connection with the filing of this document, the Commissioner is authorized to charge those fees to our Deposit Account No. 18-0988 under Attorney Docket No. **SZACP0102US**.
